¹Partnership Health Center respectfully acknowledges that we occupy the traditional homelands of the Séliš, Q̓íspé, and Ktunaxa-Ksanka nations. We also recognize that these lands are a site of trade, medicine gathering,

healing, and travel for other Native tribes in the area and is still home for many Indigenous people. We extend our gratitude for those who have stewarded this land since time immemorial.

We acknowledge that the health care system has played a role in the oppression of Indigenous peoples. We commit to ongoing learning about the impact of colonization on the health and wellbeing of Indigenous peoples, and we commit to meaningful action that reverses health disparities.
